Mossberg's
streamlined
NEW LOOK

- Clip automatics that handle all 3 lengths of 22's
- Hammerless, bolt-operated rifles with closed-breech action

• **NEW MODEL 351K** Automatic
15-shot, 22 caliber "Sporter"

BARREL: 23½" round, tapered, blued steel with crowned muzzle and Mossberg's new, precision AC-KRO-GRUV rifling—unbeatable for accuracy. Handles all 22 caliber Long Rifle regular or high-speed ammunition.

STOCK: Genuine American walnut with pistol grip and cheek piece in the much-favored Monte Carlo design. The choice, selected wood is hand rubbed with oil to a beautiful, semi-dull finish that is scratch resistant and improves with age. Tenite butt plate.

SIGHTS: Open rear sight with "U" notch and adjustments for windage and elevation. Bead front sight fits into standard dovetail slot. Receiver is grooved for easy, quick mounting of Mossberg No. 4M4 and 1A25 scopes.

ACTION: Mossberg's famous, trouble-free, straight-line feed through the stock from 15-shot tubular magazine. Special, positive-type safety holds action open and locks both trigger and sear. Complete bolt removable in seconds.

Weight about 6 lbs. Length over-all 43". Quick, easy take down.

Takes all 3 22's
